

MEMORANDUM

TO: E.R. Zumwalt, Jr.
FROM: Ann Callison
DATE: August 19, 1993

I spoke with George Claxton regarding your request for his comments for your upcoming testimony in September. All of his opinions "and then some" are covered by Dr. Schechter's review of the Report, which I believe you have.

With regard to Dr. Schechter, George mentioned that Congress (Daschle maybe?) contacted him regarding writing the bill for research in Vietnam. I assume Dr. Schechter has spoken with you about that but I wanted to be sure that you knew.

George will be going to the Nov 15-18 conference in Hanoi (Schechter and Gerson Smogger will also be attending) and was surprised that you were not.

Is it something you would consider attending? Would you like me to find out some more information about it? Keep in mind that this is an agenda item for the next AOCC meeting to find a Council Representative for this meeting.
