Dear Ms. Liburdi

Thank you for giving us the time to present our views and feelings regarding the ocean dumping of the Port's silt. We sincerely appreciate that effort.

On February 6, 1993 the New Jersey Agent Orange Commission will present a briefing on the results of the Pointman II project. A notice is enclosed.

We would welcome you or someone from your staff to attend this briefing.

Sincerely yours,

Michael Eckstein
Co-Chairman
Agent Orange/Dioxin Committee
