1500 Wilson Boulevard  
Arlington, VA 22209

Dear Admiral Zumwalt:

I am sorry that I was unable to attend the meeting in November over Veterans Day weekend with the officers from VietNow National. As you know, I have had great respect for you since I met you at the College of DuPage many years ago. The work that you are doing on the Agent Orange issue is most commendable and impressive. We at VietNow National fully support your efforts and hope that, with your help, veterans and their families will be compensated. We realize that there is no cure for the Agent Orange problems. The best we can do is to compensate those men and women who gave of themselves for our country. We know that many families are suffering, many with children with birth defects. Again, I personally want to commend you for the work that you are doing and thank you for taking a strong stand on behalf of all of us in the Vietnam veteran community.

I look forward to possibly getting together with you this summer. I hope to be back in Washington in June and hope that we can set up a time to talk then.

Sincerely,

Sandra Davis  
VietNow National  
Agent Orange Chairperson
