Dear Alan:

It was a great pleasure for Mouza and me to hear from you again and exhilarating to hear about your two corporate endeavors. I am fascinated that you are able to handle it from half way around the globe but not surprised having observed you in action.

I have put your letter in the London trip folder and you can be sure we will be in touch if and when we get that way. Meanwhile under separate cover, I am sending you an inscribed copy of my other book, *My Father, My Son*.

Mouza joins me in sending all best wishes to you and Jill.

Sincerely,

E. R. Zumwalt, Jr.
