Dear Admiral Zumwalt:

As the Congressional Commission on Military Training and Gender-Related Issues prepares to close down, I would like to take this opportunity to express my sincere appreciation for your appearance at the Commission's hearing on the history of gender-integrated training in the military.

As the former Chief of Naval Operations from 1970 to 1974, you provided valuable information to the Commission on the history of gender-integrated and gender-segregated training in the Navy. You also provided great insights into Navy readiness issues and the direction to which our Armed Forces should aspire.

I wish you continued success in your future endeavors. Thank you again for a job well done.

Sincerely,

Anita K. Blair
Chairman
