

HOUSE OF REPRESENTATIVES  
WASHINGTON, D. C.

WILLIAM E. MINSHALL

June 26, 1974

Dear Admiral:

You have certainly given credence to the indigenous national belief that great men rise high on the horizon when they are needed.

In the midst of swift technological advancement and social change, you have charted the challenge ahead and steered us firmly windward.

In the strength of your courageous example and perception, may we continue to defy the deep and seek not false harbors.

In respect, admiration and continuing friendship, I remain,

Sincerely yours,

A handwritten signature in dark ink, appearing to read "W. E. Minshall".
