

15 November 1974

Dear Bill,

I am sorry for the delay in replying to your letter of 7 November, but I had to arrange a meeting with the Commander of the Recruiting Command in which we discussed your problem. He offered to check into the matter and let me know. A copy of his letter is attached for your information.

I feel sure that, with a little extra study effort between now and March, you will be well prepared for your next test and succeed in qualifying for a commission.

Best of luck to you and let me know how you make out.

Sincerely,

E. R. ZUMWALT, JR.
