Dear Bud:

I have just had a chance to begin to read Naval Review 1974, a copy of which you sent me while I was away on holiday. This is a fascinating book, and I am extremely glad to have it because it gives me information about many things that I have only barely heard about.

I am looking forward to seeing you next week.

Best to all the family.

Sincerely,

Lawin

Admiral Elmo R. Zumwalt, Jr.
Falls Church, Virginia 22044

It will be good
to see you!
