Dear Jim,

Word of your recent selection to Captain just reached me (it takes awhile to filter to the inner recesses of the Archives). I am delighted for you and the Navy and send you my heartiest congratulations.

I am sure you will be amused to hear that retirement has me nearly as busy as in the early days as CNO. Mouza and I have settled temporarily in the Washington area to wind up the pending Navy business while planning for the future. At the moment, I'm keeping busy lecturing and writing which keep me on a heavy travelling schedule.

Mouza joins me in sending fondest best wishes to you and Mary. We hope we will have the opportunity to see you often in the days ahead.

Warm regards,

E. R. ZUMWALT, JR.
