

2 September 1974

Dear Alma,

Many, many thanks for your great help in providing me with literature on New Orleans and in making the arrangements for our night on the town. The Commander's Palace was marvellous-- and if you haven't been there, you must put it high on your list for your next visit to that beautiful city.

As always, I am grateful for your assistance and send you very best wishes.

Sincerely,

E. R. ZUMWALT, JR.

Ms. Alma Moore
