

23 August 1974

Dear Bill,

Mouza and I were pleased to receive your thoughtful invitation to lunch and the Virginia - Navy game on the 14th. Regrettably, we have already committed ourselves for that date, but we look forward to being with you and Ruth on another occasion in the not too distant future.

You both have our very best wishes as always.

Warm regards,

E. R. ZUMWALT, JR.
