

0 2 AUG 1974

Dear Mr. Morales,

Returned herewith is your enlightening commentary on the Age of Reason. I'm afraid my views on equality of opportunity for women do not coincide with those represented in your thesis, interesting as it is. I appreciate your sensitivity regarding remaining anonymous and assure you I shall not divulge your name as the author of these ideas.

Thank you for writing.

Sincerely,

E .R. ZUMWALT, JR.

Mr. E. L. Morales
