Dear Admiral Zumwalt.

WOMEN IN COMBAT

I was told that you acquiesced  
to see Supreme Court ruling that there  
must be no discrimination between  
the sexes provided the female qualifies.

My congratulations to you sir, for  
having the courage to be the first to  
uphold the Supreme court ruling, as it  
applies to our armed forces.

Enclosed is a thesis I wrote

on this subject, and you are welcome to copy and use any or all of it in any manner you may choose.

After you are thru with it I would appreciate its return.

Please do not reveal my name as author, as my life would be endangered by women in their rage of "patriotism".

Thank you very much for your comments with its return.

yours Sincerely,  
Ernest L. Morales.
