

OFFICE OF THE SUPERINTENDENT
UNITED STATES NAVAL ACADEMY
ANNAPOLIS, MARYLAND 21402

29 July 1974

Dear Bud,

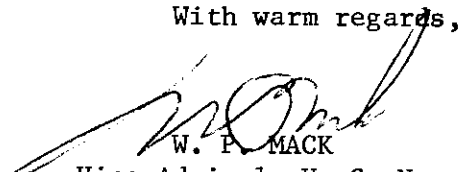

Thank you for your letter of 15 July 1974 recommending Paul Bateman for an appointment to the U. S. Naval Academy.

Paul's academic credentials are sufficiently high that he has been designated as a prospective nominee. He will be receiving an admissions packet from the Candidate Guidance Office in the near future.

The information you provided indicates that Paul is a fine young man and a good prospect for the Academy. Your letter has been forwarded to the Dean of Admissions for inclusion in Paul's file for future consideration by the Admissions Board.

Thank you for taking the time to recommend this young man to us. I hope you and Mouza are getting settled into your retirement (?) schedule. We look forward to enjoying your company many times during this coming football season.

With warm regards,

W. P. MACK
