THE SURGEON GENERAL OF THE NAVY

29 July 1996

Dear Admiral Zumwalt,

Thank you for writing concerning the outstanding care Mrs. Zumwalt has received from our fine Navy Team at the National Naval Medical Center, Bethesda, MD. We, in Navy Medicine, are proud of our talented men and women who are dedicated health care providers. We like to treat our patients as we would want to be treated.

Your letter, along with my added thanks and appreciation, will be forwarded to the Commander, NNMC, Bethesda for appropriate recognition of Doctor Hargraves and the staff members who provided such excellent care to Mrs. Zumwalt. I am pleased she is making progress.

Thanks again for writing.

Very respectfully,

A handwritten signature in cursive script, appearing to read "Harold M. Koenig".
