Dear Admiral ~~Zumwalt~~,

The Ombudsman 25th Anniversary Celebration is scheduled 14 September 1995 at the Navy Memorial, 701 Pennsylvania Avenue, NW, Washington, DC. A VIP reception is scheduled from 1800-1900 inside the Navy Memorial. Immediately following will be a 25th Anniversary ceremony held outside the Memorial. Approximately 200 dignitaries have been invited to the VIP reception. An open invitation to the ceremony has been extended to all Ombudsmen.

It would be an honor if, during the ceremony, you would share your historical perspective on the beginnings of the Navy Family Ombudsman Program. You are tentatively scheduled to present your remarks during the ceremony from 1930-1940.

If you concur, my staff will provide the final agenda and a list of invited guests approximately one week in advance of the event. The Ombudsman Silver Anniversary would not be complete without your presence.

If you have any questions, my point of contact is Mrs. Kerrie Godding, Navy Family Ombudsman Program Manager, telephone (703)614-1480.

Hope you can make it!

Sincerely,

Wiles
J. M. Boorda
