Re: Perry

Dear Admiral Zumwalt,

On behalf of The Secretary of the Navy, I wish to invite you to attend a meeting with the Secretary of Defense, Secretary Dalton and me on 28 July 1995. The meeting for retired four star flag officers will include a full day's itinerary surrounding Mr. Perry's address.

The Secretary of the Navy and I plan to conduct a symposium to update you on the latest Navy policy and programs and to invite your comments and input on these programs. The tentative events include breakfast, an address by the Secretary of Defense, a "Mass Muster" at a ceremony which will be part of the week-long dedication of the Korean War Memorial and current issue briefs from the OPNAV Staff.

Please RSVP at your earliest convenience. My point of contact is CDR Jeff Sweet, N09B, at (703) 695-4336. A full itinerary and invitational travel orders, for those outside the National Capitol region, will be available on receipt of your affirmative reply.

*Meet to see you
at the White House!*

Warm regards and
very respectfully,

J.M. Boorda
