Dear Admiral Zumwalt:

Sir, sincere thanks for the wonderful ^{Watch} publication entitled "On ~~Guard~~." I have already read three-fourth of this interesting and unique book. I shall cherish the book and the donor always.

Admiral, please know that you have many friends and admirers here at the Naval Weapons Station, Yorktown, and I have shouted your praises far and wide here on the Peninsula. I regret that I have not had the honor to be of service to you during your tour with the United States Navy. Your leadership is, as you know, a legacy and I am truly proud to have met an individual of your calibre. Give my regards to Mrs. Zumwalt.

With deepest respect and admiration,

Louise C. Adams
