IN REPLY REFER TO

7 September 1993

Dear Admiral Zumwalt,

We are preparing to hold our second Surface Warfare Flag Officers Conference, following our initial highly successful conference in May. Once again we are on the threshold of change. It is important that we be aware of developments affecting the future of our Navy. Toward that end, I would like to extend to you an invitation to attend several events in the Washington area in conjunction with the next Surface Warfare Flag Officers Conference. Scheduled for 27 through 29 September 1993 at the Naval Surface Warfare Center - Carderock Division, it promises to be an ideal opportunity to renew friendships.

in Tulare

On Monday evening, 27 September 1993, the Secretary of the Navy, the Honorable John Dalton, has been invited to be the guest speaker at a dinner in his honor at the Fort McNair Officers' Club. On Tuesday afternoon, I have arranged a luncheon at the Ramada Hotel at Tysons Corner at which we might discuss ideas germane to future surface ship research and development. Finally, on Tuesday evening, a no-host cocktail reception will also be held at the Ramada Hotel at Tysons Corner.

I would enjoy the opportunity to share your perspective at our luncheon. In addition, if your calendar permits, it would be our honor to host you and Mrs. Zumwalt at the dinner for Mr. Dalton.

CDR Dick Uyak from my staff will be contacting you shortly to provide any additional information or help facilitate arrangements in any way.

Very respectfully,

P. M. QUAST
Rear Admiral, U.S. Navy

Sincerely hope you will join us for a night of social + professional discussion.
