Dear Admiral Zumwalt,

The Annual Surface Warfare Officers' Party will be held at 1930, Friday, 29 October 1993, at the Navy Museum, Washington Navy Yard, Washington, DC. This annual gathering affords an excellent opportunity for members of the community to renew acquaintances and to enjoy professional camaraderie.

We would be honored if you and Mouza would join us as our guests at this event. I will contact you with additional details.

Very respectfully,
