Dear Hospital Corpsman First Class Young:

I understand that you have just been named Sailor or the Quarter for the Second Quarter 1993 for the Naval Medical Research Institute.

To all of the other congratulations which you must be receiving, I would like to express my personal congratulations and deepest appreciation for your superlative performance. Your hard work and dedication in making the Supply Department's support of the National Marrow Donor Program, including the C.W. Bill Young Department of Defense Donor Center, the noteworthy achievement it has become, merits the respect and admiration of all of us who are associated with those programs. I know that your many shipmates will join me in hoisting a sincere Bravo Zulu.

Once again, my deepest thanks and congratulations.

Sincerely,

E. R. Zumwalt, Jr.
