Dear Captain Smith:

Please accept my heartfelt thanks to you, your executive officer, Captain Howard E. Koss, USN, and your fine staff of officers who have made my cruise aboard the USS America (CV 66), December 8th and 9th, 1984, most enjoyable, most interesting and extremely informative. I was particularly impressed by the spirit and enthusiasm in which your men efficiently performed their duties. Thank you for the escort of Commander Billy Moore, ships Safety Officer, who's extensive knowledge of facts concerning the ship and its men provided us much added insight.

I feel indeed fortunate to have been honored to share an experience as enjoyable and memorable as the time spent aboard your ship. Thank you for having made it a most memorable lifetime experience.

Best wishes for a happy Holiday Season and a healthy New Year.

Very truly yours,

Marc A. Seidner, President
