Dear Commander Moore:

Please accept my heartfelt thanks to you for the kindness and hospitality you have shown me during my recent cruise aboard the USS America (CV 66), December 8th and 9th, 1984. I feel indeed fortunate to have been honored to share an experience as enjoyable and memorable as the time spent aboard your ship. I am thankful to the Honorable Secretary John Lehman, USN, for the invitation, Captain Leighton Smith, USN, for the extension of his hospitality, and Admiral E.R. Zumwalt, Jr., USN, Retired, for my nomination to the cruise program, but, I am also thankful to you for your personal attention and even though I have written them to extend my thanks, I didn't want the opportunity to pass to send this letter to you.

My pictures came out pretty good, but I think the ones your people took are probably better. If you could forward to me the proof sheet, prints or negatives that we discussed, I would be most appreciative.

In any event, thank you again and best wishes for a happy Holiday Season and a healthy New Year.

Very truly yours,

Marc A. Seidner, President
