Dear Peter,

I am proud to deliver to you personally the summary of the naval career and the citation of the President of the United States presenting the Silver Star medal for a high point in that career, to a great naval hero, your brother, LT John William Detwiler, U. S. Naval Reserve. Great honor is due him for what he did for his country.

Sincerely,

bc. Bob Overton

Bob,

Many thanks for a superb job in bringing pride to a bereaved family. I am deeply grateful.
