

OFFICE OF CHIEF OF NAVAL OPERATIONS

NAVY DEPARTMENT

WASHINGTON, D.C. 20350

4 August 1981

Dear Admiral,

Attached should permit you to respond to Mr. Detwiler's request for information regarding his brother's naval service.

Retrieval from the Naval Records Center generated a bit of a delay, but I needed his complete record in order to accurately reconstruct LCDR Detwiler's active duty assignments and obtain the award citation.

You can possibly imagine the condition of the carbon copy of the citation which was in his record; therefore, I had the citation retyped in original format. It was actually signed by Secretary Forrestal on 17 November 1944.

*Very regret. I will  
administer,*

*Hope you've been taking advantage of  
this unusually beautiful summer, it's  
almost as grand as Florida.*
