Dear Bud:

We are setting aside the weekend of September 7th for our annual hunt at the San Felipe Ranch, and I hope you can mark your calendar and try to be with us.

We will follow our usual schedule with a late afternoon hunt Friday, September 6th, both morning and afternoon on Saturday, September 7th, and on Sunday morning, the 8th. Anyone who wishes to stay through Sunday evening is welcome to do so.

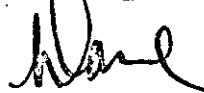

As you know, our program is informal, and if you cannot be with us for the entire weekend, please come for any part of the time you can make it.

The deer crop looks good at this time of the year, and if we are lucky we should have a good hunt this fall.

There is no hurry, but let me know in due course if you can be with us.

With all the best.

Sincerely,

David Packard
