Courses.

En. Kent has been on Darwin since he went on the ship in 74. Darwin has a swell Commanding Officer D. R. Maher. Darwin has been trying to talk with him, but En. Kent says that Darwin can't talk with him. Darwin's father was in the Navy & he knows ships are different than that.

You wrote us in Nov 26, 73, that if we had any problems to write you. So could you please see what you can do about this matter.

Sincerely,
Mr. & Mrs. Darwin L. Parker, Sr.
