REMARKS

Mr. Reedstrom was contacted by phone this date in response to his letter to CNO regarding his daughter Karen who is currently serving at the Naval Weather Station, Glenview, Illinois.

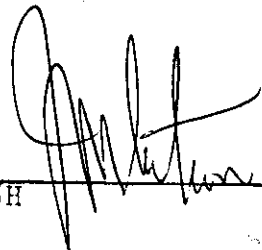

CDR Haag was contacted this date in an effort to obtain background information and the commands position on this matter.

Once I had identified myself and related the purpose of the call, Mr. Reedstrom said that since he wrote the letter to CNO, he had resolved the situation involving his daughter by discussing it with her. He further stated that we could disregard his letter.

Mr. Reedstrom was most appreciative of the personal response his letter generated. No further action pending.
