Admiral E. R. Zumwalt
Department of the Navy
Chief of Naval Operations
Washington, D. C.

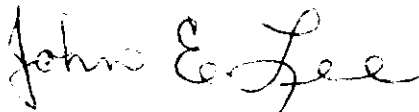

Dear Admiral Zumwalt:

Sir, I will only take a moment of your time for I know you have a very busy schedule. Perhaps you will remember me as SN John E. Lee, driver for CINCPACFLT, Pearl Harbor. I am now a student at Arkansas State University.

I am trying to locate a few small articles for our museum here at Arkansas State University. To complete our Navy display in the museum we need a picture of Admiral Nimitz, two long ties (beige from the older uniforms about World War II time) and a Union Jack Flag.

I sincerely appreciate your help, and I know Dr. Reng, President of Arkansas State University, will also appreciate your help in making our Navy display complete. If there is anything else that you think should be in this display, please feel free to suggest it or include it with the other things.

Sincerely,

John E. Lee
