Hon. Elmo Zumwalt
Chief of Naval Operations
Department of the Navy
Washington D.C. U.S.A.

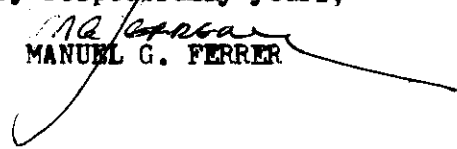

Dear Sir;

I am Manuel G. Ferrer, a former U.S. Navy with serial No. I joined the U.S. Navy on August 19, 1966. I was given "General Discharge" under honorable conditions on June 8, 1967. My records can show that I had good records during my short period in the service even my superior can testify. My only mistake and fault is that I was married when I joined the U.S. Navy. I lied on my civil status just to be enlisted in the navy.

Sir, I write you because I know you can help me in rejoining the Navy. If given the chance, I will prove and assure you that I will still serve the United States Navy and the United States of America with the best of my capability in time of war and in peace.

Your prompt attention with regards to this matter will be highly appreciated. Thank you.

Very respectfully yours,

MANUEL G. FERRER
