Chief of Naval Operations - Retired
Washington Naval Yard
Washington, D. C.

Dear "Bud":

Enclosed you will find your new Honorary Membership
I.D. Card for the 1974-75 year.

The Board of Directors and the Club membership are
pleased with the continuance of your membership in
the Tulare Club.

"Hoot" Perry of Perry's Coffee Shop and Tulare Inn
was installed as our new President following your
friend and my friend John B. "Johnnie" Sturgeon.

According to the local Tulare Advance-Register we
read that you plan a lecture tour during the next
year before you decide on future plans; and you
plan to be in California in a few months. If it
is all possible we would be honored to have you visit
our Club. We meet at the Tulare Elks Club. Our meeting
day is the same on Fridays. If it is possible, we can
notify our program committee, so they may schedule your
visit in advance.

Our best to you during your year of lecture tours; and
take some time to have fun with your fine family.

Sincerely,

Johnnie

John J. Seavers, Secretary
Treasurer

23 July 1974

Dear Johnnie,

Many thanks for my 1974-75 honorary membership card and for your thoughtful invitation to visit the Tulare Rotary Club.

After the rigidly scheduled days of the past four years, Mouza and I have decided to try a slightly slower pace at least temporarily. Over the next few months, I am indeed hoping to put my official papers in order and to do a few lectures, but my plans beyond that are indefinite. I would be pleased to meet, however, with the Tulare group and will seek an early opportunity to do so. As of now, I don't have plans to be in that area in the foreseeable future, but I will keep you advised when they materialize.

You and Johnnie Sturgeon have my good wishes for another successful year with the Club, and fond personal remembrance. All the best.

Warm regards,

E .R. ZUMWALT, JR.
