

23 August 1974

Dear Mr. Tobia,

Enclosed is a copy of my reply to John Hoegg's invitation to participate in the April '75-Annual University for Presidents in Boca Raton. As it indicates, I erroneously thought, at the time of our earlier conversation, that I was free during the period involved. Regrettably, I find that such is not the case. 2

I trust that this change will not cause great inconvenience, and I look forward to another opportunity to be with you.

Sincerely,

E. R. ZUMWALT, JR. X

Dr. Peter M. Tobia
