Dear Mrs. Train,

Thank you for your heartwarming card and message. I can only comment that I treasured the opportunity to support and nurture men with the superior ability, dedication and spirit which your son has long demonstrated. You must take the same justifiable pride in him which his Navy associates--whether senior, peers or juniors--take.

I appreciate your good wishes and reciprocate them in full measure. God bless you.

Sincerely,

E. R. ZUMWALT, JR.
