Dear Admiral Zumwalt:

The International Union, UAW, has had a Veterans Department since 1944 and Constitutionally mandated veterans affairs as a local union standing committee in 1986. In conjunction, a National Veterans Advisory Committee was established, consisting of representatives from each of our twelve regions. The response and interest shown by our members concerning veterans matters, especially Vietnam and Persian Gulf War veterans, was the catalyst to hold our first Veterans Conference March 24 and 25, 1995 in Washington, DC.

I am happy to have you as one of the speakers at our Conference. Your unique perspective on many issues concerning veterans makes your participation valuable to our members. Saturday, March 25, early morning is when you are scheduled to speak. We are in the process of formalizing the agenda and will send you a copy as soon as possible.

*already on
calendar*

Soon I will phone you and speak further of particulars.

Sincerely yours,

Cass

MEMORANDUM

TO: The Marrow Foundation
FROM: Priscilla
DATE: March 17, 1995 1:15 PM

The Admiral is speaking on Saturday, March 25, at UAW's First National Veterans Conference. (He is doing this for a fellow Navistar board member, Bill Casstevens.)

Mr. Paul Sanchez of their Veterans Department just called to ask for the Admiral's favorite charity (I assume for a donation in lieu of a speaking fee). I gave him the name of the Marrow Foundation. He requested that info be faxed to him:
