Dear Admiral Zumwalt,

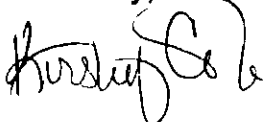

I hope all is well with you. It's been a few weeks since I wrote you on the progress of my career. So I wanted to take this opportunity to both update and thank you for your kind efforts in presenting my tape. Mr. Murdoch's organization, Fox News of New York, contacted me last week.

I spent an hour with Lisa Gregorisch, news director and Marie Hickey, assistant news director on Wednesday. They were tremendously helpful in pinpointing those areas that needed "tweaking," as well as generously offering to edit and *market* my new tape to Fox affiliates. In addition, I've also just accepted an entry level position with the show "A Current Affair."

I can't thank you enough for taking an interest in the future of my career; I could have tried to contact Fox News myself for ten years and never have gotten the interview you did through one well-placed letter (you may want to consider a sliding fee structure for this service in the future!!).

On the personal front, all is well. Chuck has had some recent successes in the search arena—he's like a cat, always landing on his feet! And due to the prospect of having to face his 50th birthday, he has asked me to marry him in an official way. I accepted and we hope to "seal the deal" by the end of the year. That's all for now. Stay well and again, many thanks!

Sincerely,

Kirstin Cole

Dear Kirstin:

You were thoughtful to send me your letter of May 31. I am delighted to know that avenues are opening up, and I am also very happy to hear that you and Chuck are going to make it official. He is certainly getting better than he deserves.

All best wishes to the two of you.

Sincerely,

E. R. Zumwalt, Jr.
