Dear Chuck:

Mouza and I were very saddened to learn of the passing of your mother. I understand from Phil Thawley that it was an unexpected catastrophe.

Even though our parents live to ripe old ages, we are never quite ready for their parting. We wanted you to know that our thoughts and prayers are with you.

Sincerely,

E. R. Zumwalt, Jr.

Dear Admiral Zumwalt:

I want to thank you ever so much for your kind note on the death of my mother and also thank you for the very fine contribution you made in her name to the Marrow Foundation.

Again, thank you for coming to the luncheon at the Links. Phil Thawley reports that it was an unbelievable success, and I am very much indebted to you. Please send us your expenses from your trip so we can reimburse you.

As always, you prove to be a tremendous friend, and I'm deeply flattered.

I look forward to seeing you soon and trust all is well.

Warm regards,
