Dear Shirley:

I attach herewith a check for the Franklin H. Williams Scholarship Fund. It sounds as though the program is producing exciting opportunities.

I wish that I could give more, but I am funding, with no help, the work of the Agent Orange Coordinating Council and making major contributions to the National Marrow Donor Program which I have helped found which combined with my other charities forces me to do less for worthy causes such as yours.

Sincerely,

E. R. Zumwalt, Jr.
