Dear Admiral Zumwalt,

It was wonderful to talk with you again, and I have passed on the news that you are well to Shirley, Laura Holleran, Abu Sillah and your many fans among the old crew from Phelps Stokes.

I am, again, beholden to you -- this time for helping me get my hands on Franklin's army records. I could never obtain them otherwise. Franklin spoke often of his difficulties at Fort Huachuca, and it would be great fun to find out if he was really a thorn in the side of his superiors, or if he just liked to think he was. My fingers are crossed that his file will have escaped the flames.

I have written to ask the archivist at Fort Huachuca if it would be worth my while to travel west to look at their records. If I do, and something of interest turns up, I would be delighted share it with you.

Franklin's discharge papers are enclosed.

With fondest regards,

*Enid*
