Dear "Boss":

I received your letter dated November 29th in last Wednesday's mail. The work the Marrow Foundation continues to perform is certainly impressive. Martha and I are delighted to once again forward a contribution in the hope that in some small way it might help to sustain the program's momentum and success. Thank you for including us. Our check in the amount of \$250.00 is enclosed.

On a personal note, things continue to go well here in Jubail. Martha returned to our Springfield home late last month, in time to enjoy the Thanksgiving holidays with our sons. I'll arrive home on December 19th. We currently plan to return here together in mid-January. I'll "check in" with your office once I get home.

Martha joins me in sending along our fondest wishes to you, Mouza, and the family for a joyous holiday season. Hope we will have an opportunity to see you while I'm home but certainly understand the demands of your busy schedule. By the way, Emmett Tidd is "falling down on the job"... he hasn't yet provided an "after action" report on the "Mini Staff" Reunion last October....
☺ I need to "catch up" on events.

Hope all goes well.

Very respectfully,

D. E. Woodbury
