Dear Mr. Woodbury:

Retired Admiral Zumwalt recently referred your resume to Mr. Phil Odeen, CEO at BDM, our parent organization. Mr. Odeen, in turn, made us aware of your credentials and availability. Your private and public sector experience is very attraction, as is your international background.

Our appropriate managers have reviewed your resume and at this time we do not see a good fit with our current requirements. We will keep you and your interests in mind as we continue planning our staffs.

Thank you for your service to our country.

Sincerely,

William L. Cobb

Dear David:

I received a copy of your resume from Admiral Zumwalt as we discussed. At the present time we have no active assignments that would be a fit with your experience and interests. However, we will retain your resume, on a confidential basis, and will contact you should an appropriate assignment develop in the future.

I would, however, love to get together when our schedules coincide. I will give you a call the next time I'm in Washington and please feel free to contact me if you're in New York.

Sincerely,

CLW
