Admiral E. R. Zumwalt, Jr., USN (Ret.)

Dear Bud:

As Chairman of the Board, it is a pleasure to welcome you as one of the Directors of ABMI. We all look forward to this association and know that your experience and discernment will be of great value to us.

For your information, I am enclosing a copy of the annual report for the year ending October 31, 1974, and the first quarter results for the period ending January 31, 1975. Also enclosed is a copy of the consolidated financial statements of ABMI and subsidiaries for the four months ended February 28, 1975, and an operating statement that we call the "Box Score." This is a comparative analysis of each company group within the corporation. You will be receiving this kind of data approximately five weeks after the end of each month. If you have any questions regarding this information, please do not hesitate to call or write me.

I regret that I couldn't arrange for you to get together with Senator Bentsen in San Francisco but unfortunately he had prior commitments. However, we may be able to do this at some future date. Perhaps by this time you have already had lunch with him in Washington.

I enjoyed seeing you last week and I'm looking forward to meeting you again in San Francisco at our Directors' meeting on June 3.

Sincerely,

Theodore Rosenberg
