

October 8, 1974

Dear Chancellor Zumberge,

I was glad to get your letter of October 4 regarding my proposed visit to the University of Nebraska as Visiting Professor of Naval Science for the period 3-5 March. I am pleased that this period is agreeable to you as it continues to be for my schedule as well. I also infer that the terms specified in your letter of August 2 will continue to apply.

Mrs. Zumwalt will, indeed, accompany me. Thank you for pointing out the United flight to Lincoln. I will advise you of my travel arrangements when firm and would ask you to keep me apprised of my schedule on campus as it evolves.

I look forward to meeting with you and others at the University in early March.

Sincerely,

E. R. ZUMWALT, JR.
