CHIEF OF NAVAL OPERATIONS

4 April 1985

Dear Bud,

Appreciate your taking the initiative to make sure the Defense Task Force of the House Budget Committee received a balanced presentation in your testimony last week. As you know so well, misinformation is easily absorbed and hard to eliminate.

Our Office of Legislative Affairs will assist as needed in your answers for the record. If I can personally be of any assistance, please let me know.

Again, thanks for your help.

Sincerely,

JAMES D. WATKINS
Admiral, U. S. Navy

*P.S. I'm told you
were superb! Thank,
Bud!*
