The Honorable Bobbi Fiedler  
Congress of the United States  
House of Representatives  
1607 Longworth House Office Building  
Washington, D.C. 20515

Dear Congresswoman Fiedler:

I attach herewith an analysis of RADM LaRocque's testimony together with extracts of my testimony which seems to me to be responsive in rebuttal and further additional comments which I think are germane in providing an accurate picture of how far off the mark RADM LaRocque is.

Sincerely,
