Dear Admiral Zumwalt:

Thank you for your December 19 letter and for sending your book; it's very interesting reading, and I am learning a great deal. I have not yet received the letter you mentioned concerning an economic delegation to Korea and am very interested in hearing more about it.

yes - Currently, I plan to be in Washington on January 19 and 20. Would you be available on either day to meet with me? I very much respect your efforts working toward better relations with Korea and would appreciate the opportunity to talk with you. Please let me know.

Sincerely,

Young J. Paik, P.E.
President
