Dear Bud,

We are scheduling guest editorialists for the seventh year of our "Otherwords" guest editorial program, and I am writing to ask if you would be willing to participate again this year.

The format remains the same as previous years --- an article of between 500 and 550 words in length on any subject you wish.

Our readers enjoyed your contribution this past year -- I did also. I hope you will be willing to write one for us again this year.

Please let me or my assistant Debbie Lawson know as soon as possible.

Best wishes,

Sincerely,

Herman J. Obermayer
