Dear Admiral Zumwalt,

This will reconfirm my telephone conversation with your assistant concerning your upcoming "Otherwords" guest editorial.

We have your article scheduled to run on Saturday, July 20. This means we will need to have the article in our hands by the afternoon of Wednesday, July 17, to prepare for publication. At that time, please enclose a black and white photograph to run along with your article.

We --- and our readers --- always appreciate reading your viewpoint in this paper.

Sincerely,

Deborah Lawson  
(for Herman J. Obermayer)
