Dear Bud,

I am delighted that you have agreed to participate in the fourth year of our "Otherwords" program.

I am assigning Saturday, July 14, 1984, as the publication date for your article. This means we need to have your article in our hands no later than the preceding Tuesday, July 10, in order to prepare it for publication. We will use the same photograph of you we have on file unless, of course, you wish to send along a new one.

Again, my thanks for your interest and cooperation.

Best wishes,

Sincerely,

HJO
