Re: The Dean's Council of 100 Annual Meeting and Luncheon
September 19, 1990

Dear Admiral Zumwalt:

Once again, I wish to express sincere gratitude for your presentation to the Dean's Council of 100 at the annual meeting and luncheon held on September 19, 1990. We are especially grateful that you have waived your expense statement. Your generosity directly affects our programs at the College of Business and allows us to continue scholarship and research projects.

Enclosed as a memento of your visit is a photo taken with Gary Herberger, president elect, and Chuck Hahn, immediate past president.

Thank you again.

Sincerely,

Vicki Budinger
