Dear Professor Dai:

I take this opportunity to send you a letter through the courtesy of Dr. Arnold Schecter. I wanted you to know that I have requested that the Chairmen of the House and Senate Veterans Affairs Committees hold hearings as soon as possible in the next congressional year with regard to appropriation of monies to do the joint Agent Orange research.

We will keep you advised through Dr Schecter of our progress.

All best wishes for continuing good health and for our continuing cooperation.

Sincerely,
